CREATIVE IDEAS

THE FIRST THE BEST THE FUTURE

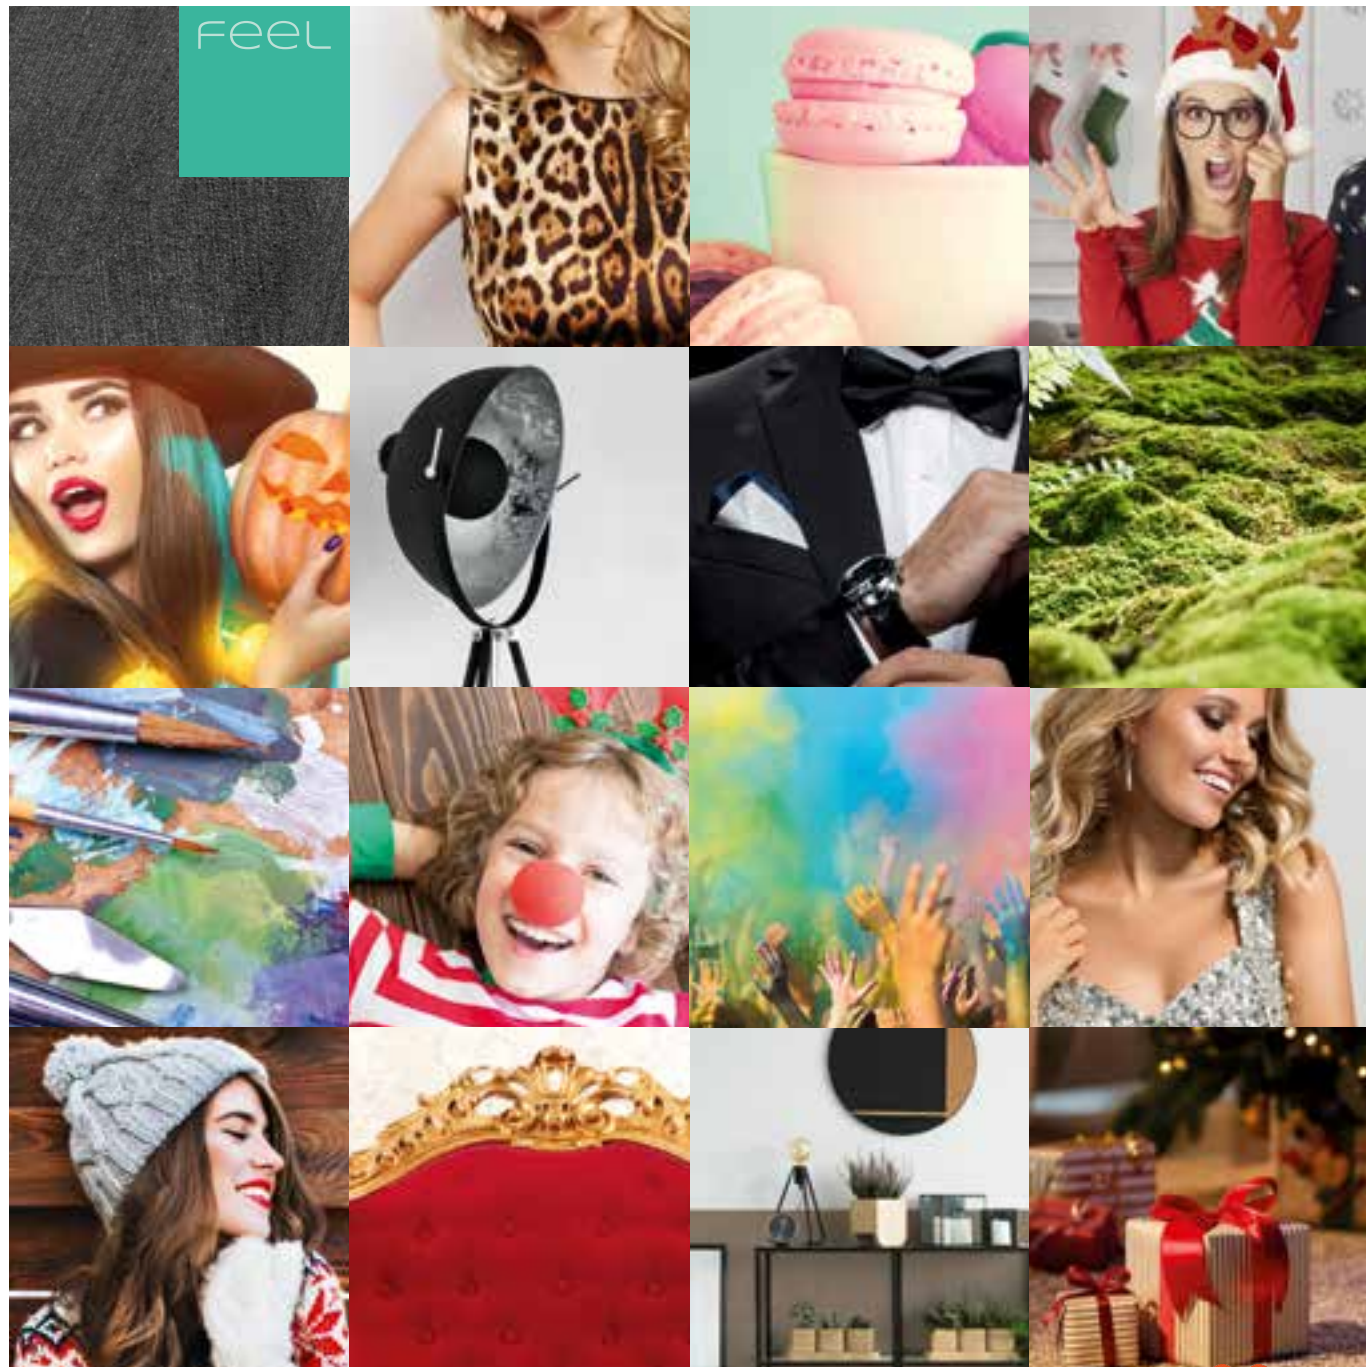

The No Water Flowers® concept was devised and introduced to the market by Vreugdenhil Bulbs & Plants and Greencre8. These specially selected and tested flower bulbs need no water to grow and produce flowers.

Authentic No Water Flowers® produce fairly short flower stems, will not topple over, and are guaranteed to bloom. No Water Flowers® can be recognised by their label.

ONLY AVAILABLE AT VREUGDENHIL BULBS & PLANTS

- ✓ **GUARANTEED TO BLOOM**
- ✓ **HIGHEST QUALITY BULBS**
