# ***Forget everything you knew about winegums!***

*Wally And Whiz is the story about careful danish craftsmanship  
and a love for winegums.*

*In 2015, in a small apartment in the heart of Copenhagen, Kristian Them Hansen  
set out to reinvent the classical winegums with a desire to create a delicious,  
uncompromising tasting experience.*

*This journey has resulted in a vegan, glutenfree premium range of the highest  
quality winegums made from 100% natural fruits, roots and berries.*

*Due to careful attention to detail and arelentless approach to quality, Wally And Whiz  
is today enjoyed by gourmands all around the world.*

A handwritten signature in black ink, appearing to read 'Kristian Them Hansen', with a stylized flourish at the end.

**Kristian Them Hansen** / founder & Winegum Enthusiast
